POEMS OF ACTION.

Sing a song of sixpence,
A bottle full of rye,
Four and twenty blackbirds
Baked in a pie.
When the pie was opened
The birds began to sing—
"No more I'll quaff the strong red wine,"
Exclaimed the nervous King.

A man bumped into a large black mule;
He foned his mistake too late,
For when he came to the ground again
'Twas in a different State.

A grasshopper said: "I love to hop
And hop and hop and never stop."
Which makes you think of some men you
know
Who are always going, but never go.
—Wes Jones.

"YOU'RE A NICE MAN"

that, but she thought of great
deal stronger language. Don't give

thoughts. 'Phone us how much coal
you want and we'll have it in your

Indians On the War Path

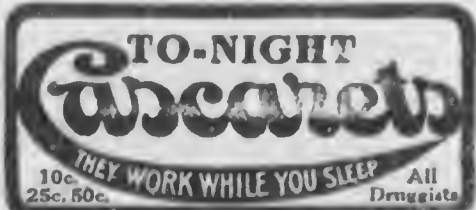

The members of Wyandotte Tribe I. O. R.
V. are preparing for a great time next Tues-
day evening. A special dispensation will be
secured and all three degrees will be conferred
on all candidates in waiting.

Following the conference of the degrees, the
Tribe will indulge in an old time "Pot-latch."
Now, to the uninitiated, that means that after
a big round up of pale faces and their adoption
into the Tribe, a great feast is held. The
following Big Indians are the committee on
"Pot-latch": Ernie Ort, Alton Schatzmann,
W. H. Cablish, R. Fulton Redden and J. H.
Richardson.

Now if you don't think these Indians don't
know what Indians like to eat just come to
the Tribe next Tuesday evening. There will
be everything from "mustard" to toothpicks,
including a big "smoke-em-up." No Redman
should miss this one big time.

We presume it is taken for granted by the public that, having contracted the
bad habit of giving something away each year, we are still subject to it. for we are re-
peatedly asked, "What are you going to give away this year?" Not to keep our
friends in suspense, we beg to say that we have concluded to distribute a number of
presents instead of just one, namely:

- No. 1—A Man's Suit Made to Order, Cash Value, \$40.00
- No. 2—A Man's Overcoat, Cash Value, \$30.00
- No. 3—A Young Man's Suit, Cash Value, \$25.00
- No. 4—A Boy's Knee Pants Suit, Cash Value, . . . \$10.00
- No. 5—One-Half Dozen Men's Shirts, Cash Value, . \$ 9.00
- No. 6—A Pair of Hanan Shoes, Cash Value, \$ 6.00
- No. 7—A Stetson Hat, Cash Value, \$ 5.00

The reason we mention "Cash Value" is that if any one who will receive any of these presents pre-
fers the money we will cheerfully give it to them. Whatever you purchase before our tickets are ready for
distribution leave your name with any of our clerks and the tickets will be forwarded to you as soon as they

BOOM CONTINUES

Another Big Loose Leaf Tobacco Warehouse to Be Erected in Forest Avenue

As repeatedly forecasted in THE PUBLIC
LEDGER that several more loose leaf tobacco
warehouses would be built in the East End,
now comes the definite announcement that
Cashier W. W. Ball of the First National
Bank is forming an \$18,000 company to erect
a big frame loose leaf tobacco warehouse in
Forest avenue or near where the tobacco cen-
ter now stands. The structure will be 100x
350 feet with all the necessary equipments.

Maysville's tobacco industry has assumed
such proportions that we are now a big rival of
Lexington and the other markets and in a few
years only we should lead and be the world's
chief loose leaf market.

Just Half in Bed

Clyde, Ky.—Mrs. I. A. Decker writes from
Clyde: "I recommend Cardul, the woman's
tonic, to any woman in need of a remedy.
For five years I was unable to do my own
work. Half my time was spent in bed. At
last I tried Cardul. Now I am well and
happy and can do my own work." Don't suf-
fer pain, headache, backache and other
womanly miseries when your own druggist has
on his shelf a remedy for such troubles—Car-
dul. Get a bottle for your self. As a gen-
eral tonic for weak women, nothing has been
found for 50 years that would take its place.
Try it. It will help you.

HEAVENS, Louisville is going to beg Uncle Sam to help her hold an Exposition in 1915.

THE Frankfort News-Journal is now issued as a morning newspaper and is filling a long-felt want as a first-class metropolitan journal at Kentucky's Capital. The News-Journal is now one of the leading dailies in the State and is what Frankfort should have had years ago.

It may be well to note while the question of reciprocity is before us that Canada in 1910 bought from us to the extent of \$241,800,000, according to the Government figures, being the third of our customers in rank. Germany held second place by a narrow margin, but at the present relative rate of growth will soon be passed by Canada.

MARSE HENRI WATTERSON, the gifted Editor of The Louisville Courier-Journal, who is spending the winter in Europe with Mrs. WATTERSON, celebrated his 71st birthday Thursday, February 16th. The great Editor was born in Washington City and educated in Tennessee, but it's old Kentucky that ripened him into the foremost journalist of the world, and claims him for her own.

Many happy returns of the day, huh!

BRYAN may be like Moses—not able to get over into the promised land but he has lead the lost tribes of Israel right up to the Jordan. —Carlisle Mercury, Democrat.

If Mr. BRYAN is such a wise and great statesman, and is such a "Moses" as you claim, why do you not stick to him for President and run his name at your masthead as the standard bearer of National Democracy in 1912? However, probably you are like the rank and file of your party, you merely yell for BRYAN, the free silver crank, and vote for some other man. If the Republicans are now advocating Mr. BRYAN's theories, as the Democrats claim, why not trot out the "Peerless one" and give him the honor that you say is due him?

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgement.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

"But you haven't said a word about the slovenly woman and her morals, Miss STAHL," commented the reporter.

She shrugged her shoulders with a gesture of disgust.

Rose Stahl on "Slovenly Women."

"Nor do I want to talk about slovenly women," she exclaimed.

"There is no excuse for them. No matter how good a woman may think she is, if she is one of the kind who is addicted to dingy kimono, or whose waist and skirt are eternally at war, or if she offers you a game of chance to guess how many buttons will be missing when she appears—then there is surely something morally wrong with her. No matter if she belongs to ten Churches and dreams heathen, deep down in her heart she is not good.

"I believe in applying the Ten Commandments to dress. Some women think if they keep the Seventh Commandment they can play football with the rest, but I think there are others just as important."

"But how, pray," I could not help but ask. "can the Commandments possibly apply to a slovenly woman who is good in everything else?"

"Well," was the answer, "there's one that says 'Love thy neighbor as thyself'—and do you think she does? I don't."

TWO GENTLEMEN.

A well-known Kansas Banker told a story to The Kansas City Journal the other day about the statute of limitations. One day an old Southerner walked into this Banker's office. The Southerner was a typical gentleman of the old-school. "What can I do for you?" asked the Banker.

"Well," replied the Southerner, "about thirty-five years ago I loaned a man down South some money—not a very big sum. I told him that whenever I should need it I would let him know and he could pay me the money. I need some money now, so I shall let him know, and I would like to have you transact the business for me."

"My good friend," replied the Banker, "you have no claim on that money. The statute of limitations has run against that loan years and years ago."

"Sir," replied the Southerner, "the man to whom I loaned that money is a gentleman. The statute of limitations never runs against a gentleman."

So the Banker sent for the money. And within a reasonable time thereafter the money came. There was a courtly gentleman at the other end of the transaction also.

Mayaville People Give Credit Where Credit is Due

People of Mayaville who suffer with sick kidneys and bad backs want a kidney remedy that can be depended upon. The best is Doan's Kidney Pills, a medicine for the kidneys only, made from pure roots and herbs, and the only one that is backed by cures in Mayaville here's Mayaville testimony.

Mrs. Elmer Bridges, 206 West Third street, Mayaville, Ky., says:

"I consider Doan's Kidney Pills to be an excellent kidney remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I tried remedy after remedy, but no benefit was obtained until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand in case I have a return of the complaint."

FREE TO YOU—MY SISTER

Free to You and Every Sister Suffering from Woman's Afflictions.

I am a woman. I know woman's sufferings. I have found the cure. I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—yes, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Men cannot understand women's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or White Discharge, Ulceration, Displacement or Falling of the Womb, Protrusion, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths, all pains in the head, back and bowels, bearing down feelings, nervousness, creeping feelings on the spine, melancholy, desire to cry, hot flashes, weariness, kidney and bladder troubles where caused by weaknesses peculiar to our sex.

I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you should wish to continue, it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer if you wish, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book—"WOMAN'S OWN MEDICAL ADVISER" with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says—"You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Leucorrhoea, Green Sickness and Painful or Irregular Menstruation in Young Ladies. Plumpness and health always results from its use. Whenever you live, I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this Home Treatment really cures all women's diseases, and makes women well, strong, plump and robust. Just send me your address, and the free ten day's treatment is yours, also the book. Write today, as you may not see this offer again. Address: MRS. M. SUMMERS, Box 111, South Bend, Ind., U. S. A.

To try Magnolia Flour. The best argument in favor of Magnolia Flour is its continued use by many of the best housekeepers in town. If it wasn't better than ordinary flour they wouldn't continue to buy and bake with it. Try a sack yourself. You won't need urging to buy it regularly afterwards.

GROWING CHILDREN

play hard and work hard at school, and rapid growth uses up an enormous amount of energy and vitality that needs replacing.

This accounts for the many delicate, sickly and failing children we see on our streets.

We wish the mother of every such child would come to our store for a bottle of Vinol, as it is a delicious cod liver and iron tonic which children love to take, and it is easily assimilated.

A grateful mother in Durand, Mich., says her little girl was weak, pale and had no appetite. She gave her Vinol and she began to thrive at once—and she gained rapidly in weight, color and strength (Name furnished on request).

Vinol builds good healthy flesh and muscle tissue and makes thin little limbs round and plump.

Try a bottle of Vinol with the understanding that if it does not benefit your child your money will be returned. John C. Pecor, Drugist, Maysville, Ky.

for an "immediate" ascent. At 5 o'clock the engine had sufficiently cooled for the trip and Simon was ready. He climbed into the seat, gave the signal for starting his motor and within less than a minute thereafter was off. And such an air climb as it was. Directly for the southern-most flag on top of the grandstand, the daring aviator climbed, holding on to the while at an angle of about 45 degrees. The wind, which was blowing from the southwest whipped the steel structure, pulling it back at the planes and aerions of the machine in a way that sent it up and down 15,000 spindles. When he cleared the obstructions, he disappeared into the sky, leaving behind the shadow of a wing and a tail. The crowd below was in a state of excitement, and the judge, who was sitting on the bench, gave away and threatened to send the daring rascal dashing to the ground. But the aviator was not one to be frightened by such threats. He was a man of high courage and determination, and he was determined to reach the top of the grandstand. He was a man of high courage and determination, and he was determined to reach the top of the grandstand. He was a man of high courage and determination, and he was determined to reach the top of the grandstand.

May Veto Pension Bill

The prediction was freely made on the floor of the House that President Taft will veto the Sulloway General Pension Bill if it passes the Senate. Similar expressions have been heard frequently at the Senate end of the Capitol, but not publicly made in the debate. The bill would increase the pension rolls about \$50,000,000 a year.

Margaret Stahl

The seventh number on the Maysville High School Entertainment and Lecture course was Miss Margaret Stahl, the noted reader and recitationist. Miss Stahl drew a large audience at the High School Auditorium last evening and all who were fortunate enough to be present were not only charmed by her efforts, but carried away by the strong personality and feminine force she displayed.

The one person, monologue artist, of course comprises the "whole show," as it were, and Miss Stahl was "it" last night. Her delivery, pronunciation, "speaking gestures," her pilot and resonant voice, changed in an instant from the childish treble to the deepest baritone, together with a mastery of stage presence and action, combined with beautiful costumes, all made for an evening of intense interest and pleasure.

The gifted lady is a native of Fremont, O. Her initial appearance before a Maysville audience was highly pleasing and her readings and recitations delighted everyone. Last night her main portrayal was from the book "The Dawn of a Tomorrow." The eighth and last number on the Lyceum program is Ralph Paragon, Humorist.

Virtue is a rough way, but proves at night a bed of down.—Wotton.

20% UNDERFEED INVESTMENT

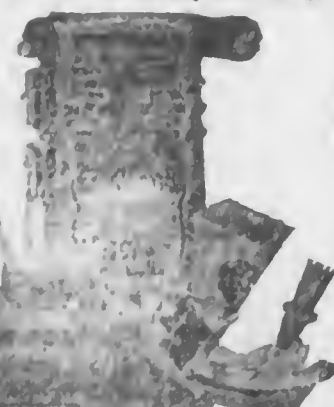

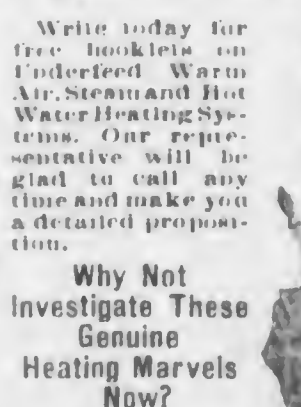

Most heating systems are an actual drag on the domestic treasury. If you want to enjoy actual every-winter dividends, tear out your old glutinous coal-burner, with its uneven heat and hard-to-satisfy appetite for fuel. Put in a

PECK-WILLIAMSON UNDERFEED FURNACE OR BOILER

Choose the system you like best—warm air, steam or hot water. Cheapest slack in the Underfeed yields as much clean, even heat as most expensive grades; which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal against the draft. Consumption is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed furnace and boiler users to

SAVE 20% OF COAL BILLS.

This saving represents a 20% dividend on the investment for this modern system of heating. Figure it out. It won't take long to get your money back. The Underfeed adds to the selling or renting value of any building.
